PRESRIPTIONS AEAI

Architectural drawing of a basement level (SOUS-SOL COMBLES). The drawing shows a rectangular area with a central section labeled "CAVE 16.1 M² PLAFOND R30 -170". To the right of the cave is a vertical section labeled "VOIE D'EVACUATION 4.00M". The drawing includes various structural details and dimensions, such as "45/50", "81/132", and "R30". The area is surrounded by a hatched pattern representing the existing structure.

PRESRIPTIONS AEAI

Architectural drawing of a ground floor plan. The drawing shows a rectangular area with various rooms and dimensions. The rooms include "VIDE SUR CUISINE", "CHAMBRE 11.6 M² +235", "SALON BIBLIOTHEQUE 18.2 M² +235", "CHAMBRE 19.0 M² +235", and "ATELIER 36.2 M² +235". The drawing includes various structural details and dimensions, such as "1684", "895", "1690", "1295", "395", "477", "919", "442", "146/180", "160/181", "80/128", "2X 55/66", "5X 55/66", "170/122", "Panneaux Solaires", and "VOIE D'EVACUATION 19.30M". The drawing also shows a staircase and a door.
